

The Space Telescope Science Institute's Youth for
Astronomy &
Engineering Program (YAE) invites you to join our
Astronomy Club Spring Session 2012
(for Middle and High School-Aged Students)

Ever wonder how we explore the universe and find black holes, colliding galaxies, or other worlds beyond our own? Come share your passion about space and astronomy and find out. Join members of the Space Telescope Science Institute staff on a four-session journey as we explore some of the most exciting mysteries of the universe with others in the community who love astronomy too. Club activities are based upon real data from space telescopes such as the Hubble.

Spring Sessions will take place from approximately 9:00 a.m. to 12:00 p.m.
on:

- **Saturday, February 11th**
- **Saturday, March 3rd**
- **Saturday, April 21st**
- **Saturday, May 19th**

Please fill out the following form to become an Astronomy Club member:

Name: _____

Address: _____

Phone #: _____

Email: _____

School: _____ Age: _____ Grade _____

Once you've signed up to become an Astronomy Club member, you will be receiving a letter in the mail, confirming your registration. **Seating is limited to the first 35 people who sign up.** If seats are full, you will be placed on our waiting list and have priority on the next set of meetings later in the year.

**Cost is \$20 per person, which includes a
continental breakfast each day,
lite refreshments, and
Program materials!**

- **Please mail your application and check to the address below, with the check made payable to "Space Telescope Science Institute."**

**Space Telescope Science Institute
Attn: Tania Anderson
3700 San Martin Drive
Baltimore, MD 21218**
