

STScI | SPACE TELESCOPE
SCIENCE INSTITUTE

The Space Telescope Science Institute's
Youth for Astronomy & Engineering Program (YAE)
in the Office of Communication and Public Outreach is hosting our annual

2017 Women's Science Forum for Middle School & High School Girls

Girls in grade 6 through 12 are invited to engage in a full day of interactive science presentations and hands-on activities related to science and engineering. Middle school and high school-aged girls are encouraged to share their career dreams, ask questions, and explore the opportunities in a number of science and engineering career disciplines. Lunch will be provided. In addition, we invite parents to attend our Parent Workshop. During the workshop, parents will have an opportunity to participate in science and career activities designed just for them, and engage with professionals in the related fields.

**Saturday, March 11, 2017
10:00 a.m. to 2:00 p.m.**

To register for the Forum, please send your completed application with a check for **\$15.00** per person made payable to "Space Telescope Science Institute" and mail to the following address:
