Books 24x7

What is it?

Books 24x7 is a searchable database of thousands of computer/IT books. You might use Books 24x7 to learn more about Excel, solve a problem with PowerPoint or look something up about languages such as C++, Javascript or Python.

How do I use it?

- Visit <http://library.books24x7.com>
- Register (create an account) with your “stsci.edu” email.
Books 24x7 will shortly send you a username and password for the site.
- Take a virtual tour once you are logged in.

How can I find out about new books?

Sign up for a Books 24x7 email alert.

Things you should know

- You must be in the STSci domain or using the Proxy Server or VPN.
- Our subscription includes two simultaneous users. Please log out when you are finished.
- Due to copyright restrictions, Books 24x7 imposes limits on downloading, printing and cutting/pasting.

Questions, concerns, comments?
