Beichman, Charles A (JPL-7930)[Jet Propulsion Laboratory], Marcia Rieke

Dear Shelly:

Thank you. There are some warnings in there, but we are aware of the issues and they should be fine. I should also point out that this program is but one of three where we are sharing GTO time with the other instruments. The agreement is summarized below.

**Y-Dwarf GTO Consortium Time Accounting**

*Program 1189, led by NIRCам*

Total charged hours in program: 28.39 hours

Hours contributed to Program by NIRCам: 23.26 hours

Hours contributed to Program by NIRISS: 1.49 hours (for J1828)

Hours contributed to Program by MIRI: 3.65 hours (For J1828 and J0458)

*Program 1230, led by NIRSPEC (all for J0855)*

Total charged hours in program: 12.54 hours

Hours contributed to Program by NIRSPEC: 7.06 hours

Hours contributed to Program by NIRCам: 2.13 hours

Hours contributed to Program by NIRISS: 1.56 hours

Hours contributed to Program by MIRI: 1.79 hours

*Program 1276, led by MIRI (all for WD0806)*

Total charged hours in program: 10.08

Hours contributed to Program by NIRCам: 4.31 hours

Hours contributed to Program by MIRI: 5.77 hours

Yours truly,

Tom
