The Space Telescope Science Institute’s Youth for Astronomy & Engineering Program (YAE) invites middle and high school students to join our Engineering Club Spring 2016 Session for Middle and High School Students

Are you interested in building and designing? In engineering, there is always something new. Join members of the Space Telescope Science Institute staff on a three-session journey as we build, design, and learn about different types of engineering. Meet others who share the same passion as you!

Saturday, January 23, 2016 (9:00 a.m. to 11:30 a.m.)
Saturday, February 20, 2016 (9:00 a.m. to 11:30 a.m.)
Saturday, March 19, 2016 (field trip – time & location TBD)

To register for the Engineering Club, please send your completed application with a check for $25.00 made payable to “Space Telescope Science Institute” and mail to the following address:

Space Telescope Science Institute
Youth for Astronomy and Engineering Program
Attn: Tania Anderson, Manager
3700 San Martin Drive
Baltimore, MD 21218

You may also register online at www.stsci.edu/yae

For more information or to register online for the Engineering Club Spring 2016 Session, please visit the YAE website at www.stsci.edu/yae

QUESTIONS? E-mail us at yae@stsci.edu or call 410-338-4571

To parents of applicants, please sign and date the parent/guardian agreement below.

I am aware that the Space Telescope Science Institute is a research institution operating a NASA mission, and that as such, inappropriate behavior and unauthorized separation from the group is not permitted. Please note that pictures will be taken throughout the event, which may be posted on our YAE website, Annual Report, and/or other educational/promotional material related to the YAE program. By signing below, you are authorizing those listed above to be photographed for such purposes.
