Hubble finds ghosts of quasars past

ANNOUNCEMENTS

1990–2015

CELEBRATING **25 YEARS** OF HUBBLE

www.spacetelescope.org/Hubble25

#Hubble25

ESA 25 Anniversary Plans

- **Anniversary image unveiling at 60 science institutions in Europe.**
- **ESA/Hubble has coordinated the creation and distribution of high quality prints of the Hubble 25th Anniversary image to science museums, research institutions and planetariums Europe-wide, the promotion of the initiative and coordination of synchronised unveiling.**

ESA 25 Anniversary Plans

- **ESA/Hubble is producing fulldome clips to be distributed free to planetariums worldwide.**
- **A new clip released every month on the 24th.**
- **The clips will be delivered in 4k standard format.**

ESA 25 Anniversary Plans

ODE to HUBBLE

Get creative and join us in celebrating Hubble's 25th Anniversary!

www.spacetelescope.org/Hubble25

The ESA/Hubble Ode to Hubble competition lets anyone inspired by Hubble express their feelings or share their ideas in a creative and innovative way by creating a short video in celebration the NASA/ESA Hubble Space Telescope's 25th anniversary!

ESA 25 Anniversary Plans

- 150 entries received
 - two categories: general and under 25
- Crowdsourced - shortlist generated
- Expert panel judged the shortlist
- Winners to be announced on April 24

- Stay Tuned!
