

JWST in Europe Community Engagement & Outreach

Antonella Nota
ESA JWST Project Scientist

JSTUC - 9 December 2020

Community Engagement

2020 ESA JWST Master Class in Europe

Collaboration with STScI to enable maximum reach

- Coordinated: call timing, selection, content development.
- Master Class at ESAC held in February 2020.
- ESA offered:
 - Comprehensive presentation materials, and support to the organization of local event(s).
 - Presence of one-two ESA/JWST experts at local event(s).

Locations of JWST
workshops in 2000

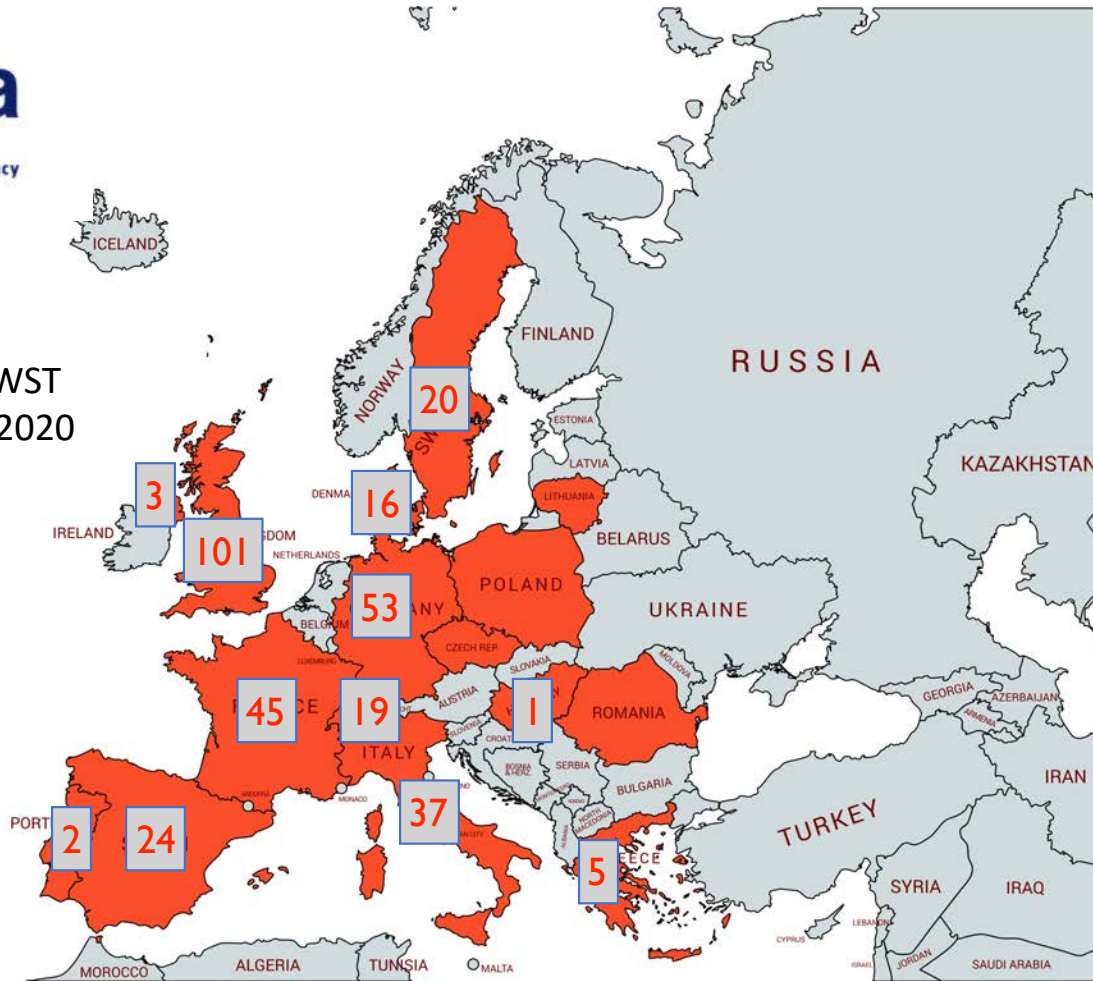

Cycle I Proposal submission in Europe

363 submissions from 15/22 ESA Member States

~31%

~25% more PIs than Hubble

Locations of JWST workshops in 2020

Correlation of proposal submissions with Master Class workshops

Cycle I Time Allocation Committee

Panel Chairs and members have been recruited

ESA representation 47 (~24%)

Conferences and Events

Science with the Hubble and James Webb Space Telescopes.VI

Venue: Stockholm - Hotel Hasselbacken
Date: March 30 - April 2, 2020

Science with the Hubble and James Webb Space Telescopes VI
Entering a golden age for UV space astronomy

Moved to 2022!

ESA/JWST presence at European conferences/events

- One day Symposium at EAS2021 (EWASS).
Venue: Leiden, The Netherlands.
Date: June 28-July 2nd, 2021.
- ESA/JWST presence being planned at other European events.

Outreach

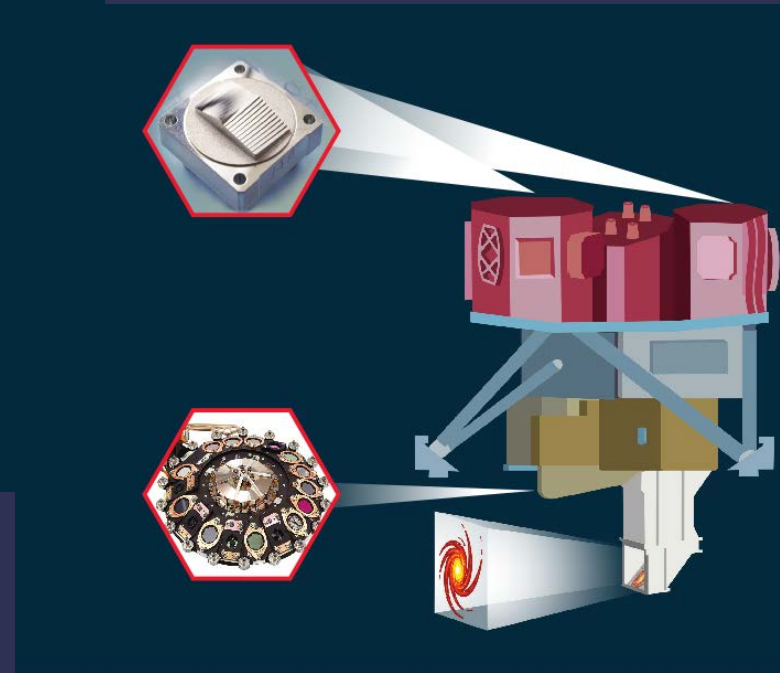

ESA Communication plan being developed

- Launch Campaign
 - One ESA major event, probably at one of the ESA establishments,
 - Parallel events across Europe in collaboration with European partners.
- ERO Release
 - Parallel events across Europe (ala Hubble 30)

The Webb Brochure

- ESA will produce a glossy brochure to be circulated during the launch campaign,
 - to highlight Europe contribution to the Webb mission,
- Text and graphics finalized.
